"Gardening: an Instrument of Grace"

NOTES

NAPLES SCHOOL

This year, phase four of the new landscaping for Naples School was installed. Working with new principal, Jeff Woods, Naples School, and the Long Beach Unified School District Grounds Maintenance team headed by Joe Facio, the landscape design was repeated around the school Auditorium and entry area of the school library. The club provided the cost for the Rhapsioleptis, Agapanthus, an Arbutus unedo (Strawberry Tree), and the District provided manpower to tear out more old, struggling landscaping and install the new. Permission and money has finally been granted to edge the new planted area with mow strip around this portion of the garden.

Large equipment needed for removal of hibiscus and other old plants.

Workmen planted new Arbutus unedo and removed old Agapanthus.

Skiploader removed thick roots.

To continue the 1928 school landscape design concept, new Agapanthus and Rhapsioleptis were planted around the corner of the library.

In conjunction with the new landscape, members laid mulch and cleaned up the Agapanthus around the school marquee the day before the Arbor Day celebration.

2017 PLANT BOUTIQUE

Our June Plant Boutique, was held in conjunction with the annual NIA Pancake Breakfast. There were bouquets of flowers, terrariums planted by members, donated plants from H&H Nursery, and Kellogg generously gave us more bags of fertilizers and potting soil again this year. Members underwrote some of the cost of planting. We raised \$2,900 for our Beautification Fund.

2017 FLOWER SHOW

One of our most enjoyed social events is the Annual Flower Show where members have the opportunity to enter many categories: flower arrangements, dish gardens, place settings and horticulture for pleasure and awards. The silent auction fundraiser associated with this event raised \$1,590 for our Beautification Fund.

2016-2017 Community Beautification and Involvement

Three times a year, members clean tile, pull weeds, lay mulch and work on hedges at **La Bella Fontana**, a historical park in the heart of the community.

A memorial is planned annually at the park to honor our military.

Luminaria Night

Early in December, members gather at dusk and light luminarias around La Bella Fontana.

Later in the evening, families come with children to join in the carols sung by a choir from a nearby church.

WE MAKE A DIFFERENCE!

COMPLETED PROJECTS

Part of phase three of the landscape at Naples School was completed with the planting of a Strawberry Tree, and more Rhipioleptis and agapanthus around the Naples School library area following the similar design in phase one. Permission and funding have been allocated for the mowstrip around the planting.

FUTURE PROJECTS

Phase Four of the Naples School landscape project will continue with the installation of a mow strip around the newly planted area. The La Bella Fontana committee has been working with the City and they have agreed to replace the aged electrical wiring on the fountain at a cost of \$15,000. The Club has helped to pay for the replacement of broken tiles and for new skate stoppers to preserve the fountain from skaters.

ONGOING PROJECTS

The Second Street planters will continue as a club project, staffed by members. The club used the official Adopt-A-Park program to become official caretakers of La Bella Fontana Park. Members trim hedges, clip olive tree suckers, plant flowers around the flag pole and remove gum from tile in the park three times a year. Members will hand-garden monthly at Naples School, which will include use of organic fertilizers, rose care and weeding.

For a member to be in Good Standing in the Club the member must continue to meet all the participation requirements for the class of membership which the member holds during each calendar year. The Board may excuse a member from the Good Standing requirements based on the Board's decision that there is valid reason why such requirements could not reasonably be met by a member during a year.

Section 3.3 Admission to Membership. A prospective member must meet all of the following requirements to be considered for membership:

- (a) **Sponsored.** A prospective member must be sponsored by at least two Active Members who have been Active Members for a minimum of two years.

Upon decision of the Board that all requirements for admission to membership have been met, and that the applicant would be a good and active member of the Club, the Board shall post the name of the applicant in the Club newsletter for a period of not less than thirty days. Any Club member desiring to comment on the application shall make such comment to the Second Vice President within the thirty-day posting period. After the conclusion of the thirty-day posting period, the Board shall vote on the application of the prospective member for membership in the Club.
- (f) **Board decision final.** The membership decisions of the Board shall be final, and the Board shall not be required to state any cause for accepting or rejecting any applicant for membership.
- (g) **Notification and Waiting List.** Upon approval of the application by the Board, the Board shall notify the sponsors of the applicant that the applicant has been approved for membership and shall place the name of the approved applicant on a prioritized waiting list for admission to the Club as memberships become available.

Naples Islands Garden Club Projects

Arbor Day is held annually in March or April. The ceremony memorializes our members and members of their families who have passed away during the year. NIGC works with the Principal and Student Council of Naples Elementary School to plan the ceremony and select an area at the school for planting of memorial trees, shrubs, and flowers.

Beautification Awards recognize Naples homeowners and businesses who make an extra effort to beautify their gardens or green areas.

May Day brings the spirit of our Club to the Naples community at large. Homeowners and businesses are recognized by our Club for participation in the display of floral arrangements on their front doors or front gates on this day.

Neighborhood Beautification is an ongoing effort by NIGC members in partnership with the City, Naples Improvement Association, and Naples Business Association, to design, plant, and maintain flowers and shrubs in public areas.

Scholarship Awards are given annually to students at Long Beach City College who are taking horticultural and business classes.

Life Time Honorary Member

This year Arv Luce, the only active Charter Member, was awarded a Life Time Honorary Membership due to her service to our Club since 1973. Arv sketched the ink drawing on the cover of our Roster in 2004, and for many years hand painted our membership name tags. The cover drawing depicts our iconic Italian La Bella Fontana.

HOLIDAY FUNDRAISER 2016

Our November fundraiser was held at a new location this year...*Romance on 2nd Street*. This annual event benefits the **Beautification Fund** used to beautify our community. Revenue comes from ticket and raffle sales and Dawna and Deborah Fay, owners of the gift store, gave 15% of the day's sales to NIGC. Our profit was \$4,900 in 2016.

Chairmen Wendi Vodhanel and Pam McCredie

Guests were checked in as they arrived.

It is a very happy, festive and successful event!

THE GIFT OF GIVING 2016

Our Christmas Luncheon is an opportunity for members to donate gifts to the "Spark of Love Toy Drive". Volunteers from the Long Beach Fire Department bring a fire truck to collect the mountain of toys and the Co-ordinator of the program speaks to us about the difference this kind of generosity makes in the lives of many families in our community during the holidays.
